Dear Parents/Carers

We are pleased to inform you that free milk will be available for all children under the age of five in school, funded by the government. In our school, this milk is provided by 'Cool Milk'. We will register your child for their free school milk on your behalf by providing Cool Milk with your child's name and date of birth. The milk provision for under 5s will begin next week.

When your child turns five, you are able to pay a subsidised rate for your child to continue to receive milk. If you wish for your child to continue receiving milk from the age of five, or if your child is already five, simply register with Cool Milk directly via their website (www.coolmilk.com) or pick up a registration form from the school office. They will then contact you at the appropriate time to arrange pre-payment. The cost is just 22p per day for a 189ml carton of milk.

All information handled by Cool Milk is processed in accordance with current Data Protection Legislation. The data will be stored securely on Cool Milk's UK-based servers and will not be passed to third parties other than to UK Government departments for audit purposes.

If you have any questions regarding the scheme, please do not hesitate to contact me through the school office.

Yours sincerely

Mrs. C. Clarke
Inclusion Leader
