Friday 8th March – Spring Term Issue 8

Thank you for all for supporting the children's learning by attending the learning conferences this week. If you were not able to attend your meeting, please contact your class teacher who will be happy to arrange an alternative time to meet with you. The children are making pleasing progress and your continued support is appreciated. Together we believe, learn, achieve and succeed!

Next week is Science week. The children will be learning about Science in our everyday lives whilst conducting a range of experiments. Mrs Richards has some exciting experiment ideas for children to complete at home. All completed experiments will receive house points and put forward for a Science award!

As you all know, Friday 15th March is Red Nose Day. Our catering team will be making red nose cupcakes for pudding to go with our usual fish and chips. The Comic Relief Official Red Noses are now available to purchase from Mrs Fowler in the office for £1.25. Numbers are limited so please do not delay to avoid disappointment. Children are invited to wear something red with their school uniform for a donation of £1. All proceeds will go to Comic Relief.

Don't forget that we have a number of projectors and speakers available in return for a donation to the school. Speak to the school office for further details.

Thank you to Mrs Saye who has secured a minimum of £1000 for the EYFS outdoor area through Tesco. Please visit the Tiptree or Mersea store and post the blue tokens in our box to place your vote.

On Saturday 6th April, we will start our clean up in the EYFS outdoor area. If you are able to help, build, paint or tidy the area, please contact the school office. Thank you in advance for your support.

Wishing you all a relaxing weekend.
