Friday 11th January – Spring Term Issue 2

This week, the teachers have led maths workshops in their classrooms. The sessions provided another opportunity for parents/carers to experience learning with their children and I hope that you found them informative. Please contact the school if you were unable to attend but would like to discuss the workshops with the class teachers. Thank you to all the teachers for continuing to plan and deliver a range of learning opportunities for the children and their families. Together we believe, learn, achieve and succeed!

This week we received a donation of £81 following the carol singing at the Queens Head in December. I look forward to working with the school council to discuss how they would like to spend the funds. Please join me in saying an enormous thank you to the team for organising this event and supporting the school.

We are planning to have a clean-up weekend towards the end of this term. Primarily the focus would be on the EYFS outdoor learning area. This will include creating a sandpit, repairing wooden fencing, painting, cleaning to name just a few tasks. Anyone with any skills or just lots of energy, please let us know if you are available. Further details to follow.

Our fantastic PTFA are planning a Valentine's Disco on 7th February. Please see attached flyer for further details. All of your support enables the PTFA to enhance the children's learning and experiences. This is a vital part of supporting the school's ethos of building memories for children and their families.

Class 1 would like to send out a plea for donations of tights and socks. If you have any clean spares at home, they would be very grateful.

Wishing you all a pleasant weekend and I look forward to seeing the parents and carers of Class 2 at their sharing assembly on Wednesday 16th at 2.30 pm.
