Believe Belong Achieve

Friday 24th January – Spring Term Issue 3

This week, I have had the pleasure of showing a number of visitors around our school. I am so proud of all the children and the progress they are making as well as the positive and friendly atmosphere around the school. Thank you to all the pupils and staff for all their hard work in creating positive learning opportunities for all.

This week I reviewed attendance with staff and governors. The main purpose of this process is to identify and review how we support pupil progress and attainment. If you have any concerns around this issue, please contact either myself or your class teacher to discuss further. Together we can enable your children to make positive progress and aim high in their achievements. Thank you for your understanding and continued support.

Thank you to the staff, pupils and parents of Class 1 for a successful Maths workshop on Wednesday morning. Please contact your class teacher if you were unable to attend the workshops and would like ideas around how to help your child at home.

As mentioned before, this half term we are focussing on our Christian value of Perseverance. There is a display in The Hive around this theme. Please can you send pictures into school of something your child is persevering with e.g. learning to ride a bike, learning to knit etc. I look forward to encouraging and celebrating with the children. Pictures can be sent to office@darcyschool.co.uk. Many thanks to those who have already sent pictures.

Thank you to the PTFA for all their continued hard work. Please see attached their newsletter together with valentine disco flyer and valentine quiz.

Please don't forget Jasmine will be holding a **cake sale** after school on **Wednesday 29th January** to help fund her trip to Milan to compete in an Irish Dancing competition. If you are able to bake a cake in support, please let Mrs Springett know.

Wishing you all a wonderful weekend
