### Friday 31st January – Spring Term Issue 4

On Tuesday, Reverend Sarah-Clare talked to the children about persevering during Collective Worship. After listening to the story of the Lost Coin, the children thought about other parables and how their messages can help us to lead a good life. Next week, the Holy Council will be leading our worship linking with persevering with the truth.

The children have worked so hard and been so proud this half term as they presented their home learning to the class. The models, writing and creative pieces are proudly displayed in the classrooms, brightening up the learning environment. Thank you for your continued support at home. Please continue to talk to the class teachers if you have any queries around homework or visit the class blogs for further details.

Well done Jasmine for a successful cake sale on Wednesday raising funds towards your forthcoming competition. Thank you to all the families who supported her and purchased the delicious cakes. The stall was so successful that Jasmine has requested a repeat sale after half term!

Premier Sports have a number of places available in their before and after school clubs. Please visit their website [www.premier-education.com](http://www.premier-education.com) or ask at the school office for further details. Thank you for continuing to support the Premier Sports Clubs.

Please can I remind you that all mobile phones are to be handed in to the school office for safe keeping. Whilst we understand that some children at the top end of the school may need them when walking home, I would like to discourage children from bringing such items to school. Thank you for your support in this matter.

On Monday, Class 1 will be visiting St. Nicholas Church as part of their RE learning. We will be learning about the features of a church, finding out about its history and enjoying stories from the Bible. Please speak to a member of the team if you are able to support the children with this visit.

Wishing you all a wonderful weekend
