Believe Belong Achieve

Friday 7th February – Spring Term Issue 5

Thank you to all the staff and pupils for another fun and busy week of learning. It is wonderful to see the children engaging in a range of physical, creative and academic activities together. Keep up the fantastic work and persevere with all the challenges that you face!

Mr Este and Mrs Gibbs have been working very hard to improve our school library in order to promote and foster a love of reading for all. Please can you send in any unwanted children's magazines, newspapers, leaflets, comics, puzzle books etc so we can broaden our range of reading materials. Reading is an important life skill and children make the most progress when they read regularly. Please continue to support your child at home by encouraging them to read a range of materials, share stories and information books with you, act out stories as part of their play, read instructions or recipes when playing a game or baking, reading maps when travelling and reading websites when researching. Thank you for your support in this important matter – together we can help all the children to make progress.

In March, we will be holding a creative themed week in school with a focus on art, drama, music and design technology. If you have and skills along these lines that you would be willing to share with the children, please talk to a member of staff.

We will also be holding another book fair starting Wednesday March 18th to 24th inclusive. Every child will be given a £1 book voucher to spend. Further details to follow.

Next week we are holding our PTFA discos in the hall on Wednesday evening at 3.30 and 4.20 pm. Please can I remind you that children are not permitted to have phones with them during the disco for Safeguarding reasons.

Finally, there will be an Open Door session on Thursday from 2.45pm which gives you an opportunity to visit the classrooms, look at the children's learning and speak to the class teachers prior to the half term break.

Wishing you all a wonderful weekend
