

03 Apr 2020 12:49

Today marks the end of the spring term. Although it's not how we would normally be celebrating Easter together, I do hope you are all well and keeping each other busy and safe.

Today, the class teachers have posted some fun activities for you to access over the Easter break to keep the children busy should you need them. All the activities are there to support and we do not expect every child to do everything. This is a very challenging time and I would like to thank each and everyone of you for all your hard work in helping the children and each other through each day. I know the children are missing their friends and the staff are missing the children too. Please keep sending your pictures in for the blogs so that we can all keep in touch.

Wishing you and your loved ones a very Happy Easter.

Keep safe and keeping touch

Best wishes

Mrs Eastbrook

Dear God,

Be with us each day and keep us and our loved ones safe. Be with those who are suffering and help them to find peace. Teach us how to appreciate what we have. Help us to support one another and to be mindful of others in all that we do.

Amen
