

01 May 2020 08:51

Good morning, I hope you are all well.

As we enter the month of May, we turn our thoughts to the VE Day celebrations due to take place next weekend. Whilst we can't celebrate as we planned, we can mark the day together and teach the children the significance of the occasion. Teachers are busy planning activities to help you celebrate with your families at home including picnics and wearing red, white and blue.. We look forward to seeing pictures of your celebrations and sharing them on the blogs. Don't forget to tune into the Queen's speech and to decorate your windows with flags and pictures of soldiers!

This week has seen another influx of children sending in pictures of all their wonderful learning as well as sharing learning together during the Zoom sessions. Thank you to the staff and parents for supporting the children and keeping them happy and safe.

So many of you are helping others through your acts of kindness from helping round the house, checking on your neighbours and loved ones, sending letters, baking for care homes and raising money in charitable events. Last weekend Jasmine raised £6000 for Cancer Research with her dance team. Together they completed 26,000 steps to mark the occasion of the London Marathon. Well done Jasmine and to everyone for being so thoughtful during this difficult time. Every small act of kindness helps to make the world a kinder place.

Wishing you all a wonderful weekend

Keep safe and have fun

Mrs Eastbrook

Dear God,

Thank you for our health and all the love that surrounds us. Help us to appreciate all that we have and to be kind to others. Be with those who are working hard and making important decisions for others.

Amen
