

Sent 27 Mar 2020

I hope you are all well and enjoying the sunshine with your families at home. This week has been strange to say the least and we've all had to adjust to a new way of life quite rapidly. I would like to take this opportunity to thank all the staff, parents, children and wider community for continuing to support one another with everything that they are doing. Please keep talking to one another, reaching out when you need help and keep an eye on your neighbours where you can. I was deeply moved to see so many people out clapping last night at 8pm to support the NHS - great community spirit!

The school website is currently having an update. Whilst this is underway we will not be able to add to the school blogs until after the weekend. The staff have been very busy updating the MyMaths pages and filling the blogs with a wealth of fun activities to keep the children busy and in good spirits. Remember, these are ideas, we are not expecting every child to do everything! In the meantime, if you need to contact the school, please email office@darcyschool.co.uk and we will be happy to help you wherever we can.

Remember to keep washing your hands and to go out for a bit of exercise each day near your home

Keep safe and have a fun weekend

Best wishes

Mrs Eastbrook

Dear God

Thank you for watching over us and keeping our friends and loved ones safe. Be with those who are ill, lonely or in need. Give strength to all at this difficult time. Help us to be there for others and appreciate all that we have. In Jesus' name

Amen
