

Weekly learning 29/06/20

<p style="text-align: center;"><u>Numeracy</u></p> <p>Focus: Equivalent fractions. Converting proper fractions to % and decimal fractions can be a worry. Look at the attached document and complete the tasks that follow the explanations. Try a few yourself, can you convert a % discount on your shopping to a decimal fraction?</p>	<p style="text-align: center;"><u>Literacy</u></p> <p>Focus: Writing a report. Use your geography or history challenge information to write a report about your findings. The report should be at least a page long and include an introduction, sub-headings, lots of interesting information and have all our non-negotiable literacy targets as well as accurate spellings.</p>	<p style="text-align: center;"><u>History</u></p> <p>Focus: A couple of disagreements. Great Britain has had disagreements with other countries during our history. Who were we cross with on these dates? 1775, 1803 and 1853.</p>	<p style="text-align: center;"><u>Geography</u></p> <p>Focus: Research a country. Have a look at the Country project document. Read the instructions and choose a country to study. I don't mind if this is a project that you complete over more than a week.</p>
<p style="text-align: center;"><u>Topic</u></p> <p>Focus: Eating on the move. What do people in nomadic cultures eat? There is no access to shops in the way that we have so what do they do and what do they eat. Think about one of the cultures that you have been looking at already.</p>	<p style="text-align: center;"><u>Science</u></p> <p>Focus: Amazing space phenomena. What does phenomena mean? Have a look at the links below, did you know any of this? See what else you can find out about them. https://www.youtube.com/watch?v=zR3lgc3Rhfg https://www.youtube.com/watch?v=koEDG3j1bjs</p>	<p style="text-align: center;"><u>DT</u></p> <p>Focus: Our insect houses. It's important to maintain and improve the habitats that we have created to encourage insects in our gardens. Have a look at the insect houses that you made, do they need the odd repair, some more material, is there water available for the insects?</p>	<p style="text-align: center;"><u>Art</u></p> <p>Focus: Hieroglyphics. What is a hieroglyphic? Have a look at the document attached and see if you can write your name using the images. When were they invented and where? Perhaps you can both send a message and make a work of art!</p>
