

Believe Belong Achieve

Friday 4th September – Summer Term Issue 1

Thank you for all your hard work helping the children to settle in this week whilst adjusting to the school's safety rules. Please continue to work closely with the school staff if there are any changes in your household or if you or your child have any concerns. In the meantime, please read all school communications carefully as we continue to review our practice in line with government guidance.

Over the last academic year, we worked together to develop the school vision and values. The following have now been agreed by governors to reflect the school's ethos and have been published on the school website.

Believe Belong Achieve

DEVELOPING BELIEFS AND ASPIRATIONS WITHIN A STRONG COMMUNITY

Jesus said "Let the children come to me." (Matthew 19:14)

We are committed to providing opportunities for every child to develop their beliefs and aspirations. Our Christian ethos and strong community spirit enable every pupil to develop their sense of belonging and become life-long learners. Our pupils go into the world as responsible, well-rounded individuals who achieve success and make positive contributions to society.

We have great learning opportunities to look forward to this term and together we can help the children achieve greatness. Please join me in thanking all the staff for their hard work and support.

As a reminder here are the class drop off and pick up times together with collection point.
