31<sup>st</sup> December 2020

Dear Parents/Carers

Yesterday, the Government announced that schools in our area would not be opening on 4th January as planned.

School will be closed to **everyone on Monday 4th January.**

Remote learning will resume on Tuesday 5th January through your child's class blog.

Teachers will endeavour to make the learning interesting, stimulating and accessible. They will provide a variety of tasks and challenges for your child to pick from or work through. Please do what you can. The mental well-being of your child is the most important factor and if that is cared for then they will recover lost learning far quicker.

School will be open from **Tuesday 5th January** for **vulnerable children** and those of **CRITICAL Key Workers** – if you are working from home, you need to look after your child. A list of CRITICAL Key Workers is available at

<https://www.gov.uk/government/publications/coronavirus-covid-19-maintaining-educational-provision>

If you believe your child is vulnerable and should attend school, or that you are a CRITICAL Key Worker, then please e-mail the school office on [office@darcyschool.co.uk](mailto:office@darcyschool.co.uk) by 12:00 on Monday 4th January stating your intention to send your child to school, so that I can make the necessary plans and arrangements.

I will be in contact with you again on Monday to update you further about arrangements and timings.

Please continue to work closely with the school. Keep safe.

Happy New Year!

Mrs Eastbrook
