## Friday 5<sup>th</sup> February – Spring Term Issue 5

Congratulations everyone! We've all made it to the end of another busy week. I would like to encourage everyone to reflect on all your successes and to be proud of all that you do. I am incredibly proud of all the children who continue to learn and have fun along the way. This would not be possible without all the adults who support them. Thank you.

Next week, the team are planning a relaxing wellbeing week. I look forward to seeing the fun unfold along the way. I do hope you all have a relaxing week.

The school will close to all pupils on Friday 12<sup>th</sup> February for the half term break and reopen on Monday 22<sup>nd</sup> February for Critical workers and Vulnerable pupils. The government are hoping to start opening schools further from Monday 8th March. I will keep you updated as information becomes available.

Throughout this continued National Lockdown, it is important that we all remember that we are in this together. We are all trying our best to juggle families, work and school learning whilst trying to remain positive and make the best of a situation. It is hard but if we continue to support one another, be patient and tolerant, we will come out of this together and stronger.

The teachers are continuing to provide learning through the Class Blogs, Google Classroom (Y3-6), MyMaths, Accelerated Reader and individual on-line meetings by appointment. Please continue to access what you can and make contact if you have any queries.

Thank you for all your wonderful emails sharing your learning and well done to everyone for all your perseverance. I am enjoying the different 100 challenge photographs and videos – well done!

As it is the last day of term, I would like to invite all children who are in school to wear non-uniform on Thursday.

Keep being amazing and remember to reflect on your positive experiences each day and to be thankful for what you have.

Wishing you all a wonderful weekend
