Thursday 11th February – Spring Term Issue 6

Congratulations everyone! We've all made it to the end of another half term. I would like to encourage everyone to reflect on all your successes and to be proud of all that you do. I am incredibly proud of all the children who continue to learn and have fun along the way. This would not be possible without all the adults who support them. Thank you.

The school will close to all pupils on Friday 12th February for the half term break and reopen on Monday 22nd February for Critical workers and Vulnerable pupils. The government are hoping to start opening schools further from Monday 8th March. I will keep you updated as information becomes available.

Over the past few weeks, staff have regularly taken Asymptomatic Lateral Flow COVID tests and will continue to do so for the remainder of this term. I would like to thank the staff for committing to this in order to continue to keep everyone in the school community safe.

I am pleased to welcome Miss. Stukins to our team and she has written the following paragraph to introduce herself.

Hello my name is Miss Stukins and I am a student Social Worker. I am currently in my first year of my MA study at Anglia Ruskin University. I will be working with the school to support the children and their families. I will be supporting wellbeing especially during this difficult time. Please come and introduce yourself and if you have any concerns or worries please come and see me. I look forward to meeting you all.

Keep being amazing and remember to reflect on your positive experiences each day and to be thankful for what you have.

Wishing you all a wonderful half term break

Keep safe

Dear God,

Help us to persevere in all that we do. Give us the strength to try our best, even when times are tough. Be with those who are suffering at this time and help us all to be patient and mindful of others.

Amen
