Friday 10th September – Autumn Term Issue 2

Here we are at the end of our first full week. Please join me in welcoming all our new families. I do hope the children have settled well and made new friends. Please do keep in touch with the school if you have any questions or concerns and look out for details regarding forthcoming events in school.

I hope you have now met the class teams who are looking forward to working closely with you this year. Welcome to Miss Albone, Miss Rushen and Miss White who have joined us this term in their role as Apprentices. This half term we say farewell to Mrs Handford as she moves on to pastures new. Please join me in thanking Mrs Handford for all her hard work over the past five years and wishing her good luck in her new job!

I am looking to employ an LSA on a temporary contract from October to July to join our hardworking team. If you are interested in the position, please contact the school office in the first instance, for further information and application details. The successful candidate must have good communication skills, be able to work as part of a team, enthusiastically join in the life of the school and support pupils with their academic, social, emotional and medical needs.

On Tuesday 14th September, we will be holding a Race for Life event here in school. Each class will be planning their own races over the day and the Rota Kids will present the children with their medals. Please can the children come to school wearing sports clothes/PE kit/sun hat ready for their races. We have set up an Online Giving Page, please use this link to sponsor your child and raise funds for this important charity.

Thank you in anticipation of your support.

Please can I remind you not to bring dogs onto school grounds for safety reasons. Thank you

Next week, Mr Este and the teaching staff will be leading an English themed week in school. See the diary dates below for further details regarding the parent workshops for your classes. During the workshops, you will have the opportunity to work with your child and experience some of the exciting learning opportunities planned for your child.

Wishing you all a relaxing and enjoyable weekend.
