## Friday 21<sup>st</sup> January – Spring Term Issue 3

This week started with the children reflecting on the story of the lost coin from Luke's Gospel. The children thought about times when they had lost something or been lost. After talking about different feelings, they shared different strategies for looking after themselves and their belongings.

Thank you to Hazel and Linda for helping us to further reflect on our value 'Persevering' in our worship on Tuesday morning. The children really enjoyed the different challenges and questioning game!

Last week, I challenged the children to think of a new design for displaying our Christian values. I am pleased to confirm that they have agreed on an image and we will start working on this ready to share with you soon!

We have a number of unnamed jumpers and clothing items in each class. Please can you label your child's clothing so that it can be easily returned. Can we please remind everyone that PE is an essential part of the curriculum and that a full PE kit should remain in school at all times.

Thank you for sending in photographs and awards for our celebration board – please keep them coming!

Premier sports have been running before and after school clubs in our school for the last few years. There are currently spaces in breakfast club, gymnastics, dance and sports club. Please book via this link ([premier-education.com](http://premier-education.com)) and support them in any way you can to secure their future in our community. Please see attached flyer for full details of the new activities being run during the Active Breakfast Club.

**I would also like to remind you that we are a nut free school. Please refrain from sending nuts or nut products into school.**

Wishing you a relaxing weekend.

*L. Eastbrook*
