Thursday 10th February – Spring Term Issue 6

Here we are at the end of another half term and half way through the academic year. I would like to extend an enormous thank you to all the staff, pupils and parents for continuing to persevere and support one another through this turbulent time. The school community is strong and I am proud to be part of it.

This week we have been reflecting on The Queen's 70 year reign and what we can learn from her perseverance. We look forward to celebrating later this year!

Premier Sports have been running before and after school clubs in our school for the last few years. There are currently spaces in breakfast club, gymnastics, dance and sports club. Please book via this link (premier-education.com) and support them in any way you can to secure their future in our school community.

Please can I remind you to keep the office team updated with all changes to personal contact details. Thank you for your support with this important safeguarding matter.

The teachers will be leading their Parent Consultation meetings starting the week beginning 28th February. Please look out for the ParentMail and book your consultation via the booking system. Please contact the school if you have any queries.

We had a visit today from Bryan, the Heybridge Rotary Representative. He met with our Rotakids and presented the school with a cheque for £350. We would like to thank everyone for their kind support and generosity raising these funds.

Wishing you a relaxing half term and we look forward to seeing you return on Monday 21st February.

L. Eastbrook
