Friday 11th March – Spring Term Issue 9

This week we have been focussing on Lent and starting to plan ahead for our Easter service. This year, the children have decided to retell the Easter story in classes using song, poetry, art and prayer. The service will be held in church on Tuesday 29th March at 2pm. If you are able to support us by walking the children to church, please let us know.

On Tuesday, our Church Visitors, Hazel and Lynda, taught us about the importance of telling the truth. They had a group of children play true or false to help the whole school with their understanding.

Thank you Class 2 for leading a wonderful assembly on Wednesday afternoon. It was fantastic to share your learning with you. Thank you Mrs Archer and team for continuing to make the learning fun!

Please join me in thanking our hardworking PTFA for today's non-uniform event. The donations for the raffle are gratefully received. Please continue to support the team and buy your raffle tickets for your chance to win one of the amazing hampers!

Next week, Mrs Whybrow is leading a whole school STEM project. On Friday 18th March, the school will be holding our first STEM (Science, Technology, Engineering and Math) Fair. All the classes will be showcasing their learning from STEM Week. We will open our doors 2-3pm for everyone to come into school to see what the children have been learning and making. Please come and join us.

We have been receiving complaints from parents and neighbours about unsafe and inconsiderate parking. We have also noticed an increase in parents using the school car park. **This is not permitted during normal school pick up and drop off times.** This is a safeguarding issue for the children using the school bus. The village has 2 free public car parks just a few 100 metres along Tollesbury Road. Please make full use of these.

As the cases of COVID are again on the increase, please can we remind everyone to be vigilant and follow the up to date guidance.
