Friday 6th January – Spring Term Issue 1

Happy New Year! Thank you for all your hard work helping the children to settle into the new term so quickly. The children have had a fantastic week in school and are enjoying their new topics. Please visit the class blogs to find out more.

Attendance and punctuality are an important aspect of pupil progress. Please ensure your child arrives in school between **8.40 and 8.55 am**. After this time they must enter via the office where they will be recorded as being late. During this time the pupils prepare for the day ahead and begin their learning in class. Thank you for supporting the school with your child's attendance and punctuality.

I have received a number of complaints about dangerous parking outside school. Please ensure that you are not blocking driveways, parking in private roads or parking on pavements. Please consider the safety of all pedestrians and the crossing patrol officer when parking. There is plenty of space down by the recreational field and village hall to void congestion around the immediate school area. Thank you for considering the safety of all.

I would like to let you all know that Miss Ripton will be leaving us at the end of January after nearly 4 years. I have successfully appointed and will share details in due course. Class 1 and all the team will miss her positive and friendly attitude. Please join me in wishing her success in her new venture.

Thank you to all the parents who were able to join their children in the maths workshops this week; I hope you found the session's useful and enjoyed learning with your child. Please do talk to the class teachers if you have any queries about supporting your child's learning.

Next week, Class 1 parents are invited to their maths workshop on Monday at 9am and Class 4 will start their swimming session on **Tuesday** afternoon (please note this is a different day to previously advertised). Please remember to bring your costume, towel, goggles and swimming hats ready for the sessions.
