Friday 30th June – Summer Term Issue 9

It's been another exciting week of learning at Tolleshunt Darcy School.

This week, Miss Barber took two teams to Heybridge Swifts Football Club where they took part in a football match against Heybridge Primary School. The children represented the school with great sportsmanship – we are very proud of them. Thank you to Miss Barber for arranging another fabulous event to enrich the children's education. Please see the class blogs for more information and some photos.

Our stage is up! We have begun preparations for a showcase of acting talents as Class 3 and Class 4 prepare for their productions. We look forward to welcoming you on 13th July to watch the performances at either 1:30 or 3:45 and thank you for your support as I'm sure some of the children will have lines to learn.

This week, Mr Fox and Miss Barber have been conducting some educational research as part of their final months of their university qualification and teacher training course. Thank you to those who took part in this. We look forward to hearing the results. It's brilliant that we are able to offer student teachers support with their courses. Equally, they are able to share with us their thoughts surrounding the latest research and ideas in teaching and learning.

Communications about the next academic year will reach by the weekend. If you have any questions, please do not hesitate to contact me via the school office. Parent and Carer communication is vital in supporting the education of the children.

A final polite notice: we are unable to offer access to our toilet facilities. Pre-school have confirmed that the children are able to use the toilet before the day finishes and if required, children are welcome back to pre-school to use the toilet if they need to as they wait for their siblings. Thank you for your cooperation in this matter.

Wishing everyone a great weekend.

Miss Reece

Deputy Headteacher

Safeguarding

We all have a duty to safeguard the children in our care and if the school suspects or knows that a child is at risk of significant harm, we will make a referral to Social Services. The school does not investigate any disclosures that children may make, we are a referring agency. Procedures on safeguarding from the Government make it clear that all staff should operate with an 'it could happen here' approach to any concerns they may have. If you have any concerns about a child please telephone the Essex Child and Families Hub on 0345 603 7627.
